

Instructions of the Chinese Government Scholarship Information System

Step 1: Visit <http://www.csc.edu.cn/laihua> or www.campuschina.org and click "*Application Online for International Students*".

Step 2: Read "*Tips for online application*" carefully before clicking "*NEXT*" to the registration page.

Step 3: Log in with your user name and password. For new user, please click "Create an account" for registration.

Step 4: Fill in the correct **Program Category** and **Agency Number**. An Agency Number represents a specific application receiving agency and a correct choose of Program Category is necessary before filling in the Agency Number. Please make sure you fill it in correctly, otherwise you will not be able to continue your online application or your application will not be accepted.

Your '**Program Category**' is : **Type A** and '**Agency Number**' is: 7051. Once the correct '**Agency Number**' is entered, the name of the agency will automatically emerge.

Step 5: Fill in the **Online Application Form** and **Upload Supporting Documents** truly, correctly and completely following the steps listed on the left of the page.

Applicants are required to select a discipline before choosing their majors. Please refer to the Disciplines Index, which could be downloaded from Help, if you have any doubt about the disciplines and majors.

Step 6: Check each part of your **Application** carefully before submitting it. Click *Submit* to submit your **Application**.

Step 7: You can make changes to your application by clicking *Withdraw and Edit the Application* on the top of the page. But make sure to submit it again by clicking *Submit* after finishing all the changes. Otherwise, the retrieved application will become invalid and your new application will not be received either.

Step 8: Download the completed **Application Form** by clicking *Print the Application Form* and print two hard copies.

Step 9: Prepare other supporting documents as required and send the full package of application documents (in duplicate) to the dispatching authorities.

Please use Firefox or Internet Explorer (11.0). Menu selection functions may not work in other browsers.

Only Chinese and English are accepted for the online application.

YOUTH OF EXCELLENCE SCHEME OF CHINA(YES CHINA)——MASTER PROGRAM CHINESE GOVERNMENT SCHOLARSHIP

Program Introduction

To promote the mutual understanding and friendship between China and other countries, and to provide education opportunities to the youths worldwide who enjoy good potentials in their career development, the Chinese Government established the “Scholarship for Youth of Excellence Scheme of China——Master Program (YES CHINA)” with the aim of providing financial support to the outstanding youth coming to China to pursue a Master’s degree. For the academic year 2017/2018, the Ministry of Education, P. R. China will entrust 7 leading Chinese universities such as Peking University with 8 Master’s degree programs, namely The Master of Laws (LL.M.) Program in Chinese Law, International Program on Master of Public Health (IMPH), Master of International Economic Cooperation, Master of China Studies, The LL.M Program in International Economic Law, MBA Program, AIB Master of International Finance, Master of One-Belt-Road Sustainable Infrastructure Engineering. The programs duration will be one year or two years (1+1), and will be open to applicants from 56 developing countries.

Courses	Duration	Universities	Introductions
<p>The Master of Laws (LL.M.) Program in Chinese Law</p>	<p>1 Year</p>	<p>Peking University</p>	<p>The Master of Laws (LL.M.) Program in Chinese Law is a graduate-level law program offered by the Law School, Peking University, focusing on Chinese civil and commercial law. The language of instruction is English.</p> <p>Peking University is a pre-eminent university in China. Established in 1904, the law school has become a leading institution for legal education and a potent force for legal development in China. The Law school frequently joins forces with the government, law firms and business community in the development of cutting edge legal, social and commercial policies.</p> <p>The LL.M. Program in Chinese Law is to address the needs of an international community seeking a comprehensive understanding of Chinese law which is essential for legal professionals engaged with China. This program provides an intensive instruction in Chinese law. Leading faculty members will offer Chinese law courses specially designed for international students. Teaching comprises both lectures and small-group seminars. There are also optional subjects in non-law areas such as politics, economy, society and Mandarin Chinese to facilitate students' understanding of China's culture.</p>
<p>International Master of Public Health (IMPH) Program</p>	<p>1 Year</p>	<p>Tsinghua University</p>	<p>The Research Center for Public Health has created a graduate level, interdisciplinary and cross-cultural degree focused on global public health. The International Master of Public Health (IMPH) Program is aimed at building a new generation of global public health leaders in the developing world through the participation of recognized faculty and expertise from across Tsinghua University and partners around the world. These English taught courses are specifically designed for public health officials, disease prevention and control specialists and health program managers from developing and developed countries, with the fundamental purpose of improving the health conditions and achieving health equity in developing</p>

			countries.
Master of International Economic Cooperation	1 Year	University of International Business and Economics	MIEC program of UIBE is designed for senior business officials and senior business managers who are experienced in business administration. It aims to develop leaders with global vision in international economic cooperation. Through this program, students can systematically grasp international economic cooperation theory, international economic policies and environment, development tendency of international economic cooperation and economic trade policy system in China. This program pays equal attention to academic study and extracurricular activities including business field trip, seminars and culture experience to enhance participants' understanding of China's culture and society.
Master of China Studies	1 Year	Zhejiang University	<p>MCS is the first master's program, and the most influential one, with the name of "China Studies" in China. MCS of Zhejiang University has attracted more than 200 international students from 25 countries since 2010. As one of China's first 6 high-level master scholarship programs for developing countries and the only domestic "China Studies" program, MCS has 11 students from Southeast Asian countries in 2014.</p> <p>We focus on studies of contemporary China, which consist of 3 disciplinary modules: history & civilization, transformation & development, media & life. Meanwhile, research methodology and Chinese language are also included. Students can also have their own "story in China" through cultural experience and social surveys.</p> <p>With the implementation of the "3C" (Cultural, Contemporary and Comparative), MCS endeavors to help people understand China better.</p>

<p>The LL.M Program in International Economic Law</p>	<p>1 Year</p>	<p>East China University of Political Science and Law</p>	<p>The LL.M. Program in International Economic Law is an English-taught scholarship program hosted by the East China University of Political Science and Law (ECUPL) under the support of the Ministry of Education of China. Located on the downtown campus of ECUPL in Shanghai, an international metropolis, the degree program started its enrollment since September of 2015, and will be instructed by world-class faculty of ECUPL who are not only fluent in English but also widely recognized in their respective research areas.</p> <p>As the best law school in the southeast part of China and an internationalized university boasting 120 partner universities across the globe, ECUPL is able to offer the participants a professional learning experience, a deepened cultural understanding, an international living environment and an extensive network with top talents from different countries.</p>
<p>MBA Program for Developing Countries</p>	<p>1 Year</p>	<p>South China University of Technology</p>	<p>The MBA program for Developing Countries at South China University of Technology aims to help developing countries develop human resources and train highly qualified specialists in business administration. This program is designed specifically for senior business people, senior management staff in education, scientific research institution and any related field from developing countries, and help them learn about and acquire some understanding of the Chinese business administration and industrial management, so as to enhance their skills of creating and managing businesses in developing countries.</p>

<p>The Asian Infrastructure Investment Bank (AIIB) Master of International Finance (AMIF) program</p>	<p>2 Years (1+1)</p>	<p>University of International Business and Economics</p>	<p>The Asian Infrastructure Investment Bank (AIIB) Master of International Finance (AMIF) program is for senior governmental officials and senior business managers from the member country of the Asian Infrastructure Investment Bank (AIIB). It goes with China's national strategy of One Belt and One Road, aiming to provide talent support for accelerating the economic development and regional economic integration of Asian countries, as well as to reserve talent resources for AIIB to develop its continuous core competence among international multilateral financing institutions. The program is focused to train policy makers and executors with global vision for regional cooperation, financial administrative talents to accelerate the integration of Asian economy, and entrepreneurs to promote the communication and cooperation within Asia.</p>
<p>Master's Program of One-Belt-Road Sustainable Infrastructure Engineering (MOSI)</p>	<p>2 Years (1+1)</p>	<p>Southeast University</p>	<p>English-taught MOSI is designed for senior civil servants of countries along "One Belt One Road", especially the senior officials in Ministry of Communications, Construction and Business, senior managers of related organizations and enterprises, and technical experts of universities and scientific research institutions. The program aims to train regional construction policy makers and executors with global strategy and the idea of sustainable development, as well as to cultivate senior managers and high-tech talents of modern infrastructure construction.</p>

Note: "1+1" studies refers to one year course study in China and one year dissertation composition in home countries. Dissertation defense will take place in China at the end of the study.

Enrollment Quota, Program Duration and Medium of Instruction

- " A one-year full-time Master's degree program
- " 30-35 students per class
- " Academic year from September, 2017
- " Courses all taught in English

Scholarship Coverage

1. One-year Program

Total Amount: 200,800 RMB per year for each student, covering:

- " Exempted fees: registration fees, tuition fees, laboratory experiment fees, internship fees, and fees for basic learning materials.
