December 2019

Dear Cultural Attaché,

Greetings from John Cabot University. I would like to share some information with you about our Master of Arts in Art History. Accredited by the Middle States Commission on Higher Education, the degree is the first US-accredited graduate program in art history based entirely in Rome, Italy, and taught in English. This year, the MA celebrated its first graduating class in May and welcomed its third incoming class in August.

Designed to immerse students in the wealth of art, architecture, and art-historical documentation available in Rome and in Italy, the curriculum has a dual emphasis: the visual cultures of Rome and the Mediterranean across time; and the acquisition of technical skills for conducting art-historical research directly from the primary record. The program can be completed in approximately fifteen months of full-time study. For further information about the faculty, curriculum, and application requirements, please see www.johncabot.edu/arthistoryma

The MA is currently accepting applications for Fall 2020. Full tuition fellowships and partial tuition grants are available on a competitive basis to outstanding applicants who submit complete applications by **February 1, 2020**.

Please help us spread the word by sharing the enclosed brochure!

If you have any questions about the program, I would be very happy to answer them.

Warm regards from Rome,

Lila Yawn, Ph.D.
Director, Master of Arts in Art History
